Webelos Woods, Nov. 18-20 @ Citta

Webelos Woods is designed to give first and second year Webelos and their parents a preview of the Boy Scouting experience. The program reinforces Boy Scouting values, procedures, methods and skills. It is an introduction to the Boy Scouts being a "boy led" program versus the "adult led" program used in the Cub Scouts. This is our opportunity to show off

Troop 94 to Webelos 2 within the District. We would run a station. The cost is under \$40 per Scout.

Scouting for Food

Scouting for Food is an annual food-collection drive run by our Council. It's another reminder to our local communities that Scouts are here, doing good turns.

Scouting for Food takes place on two consecutive weekends. On the first weekend, (November 5-6) Scouts distribute bags and/or door hangers to let their neighbors know about the drive. On the second, (November 12-13) Scouts revisit those houses to pick up bags full of canned food, cereal, pasta, peanut butter, juice and other nonperishable items.

Those donations are taken to our local food bank to help support families in need.
