SCOUTS TAKE TO THE STREETS FOR THE EHT COMMUNITY DAY

DECEMBER 2015

Great Belleplaine Camping Trip

On the weekend of September 17 -18, twelve Troop 94 Scouts hosted twelve Webelos from Pack 94 at Belleplaine State Forest. The Boy Scouts ran stations including, fire safety & starting, leave no trace/front country rules, what to take on a hike, how to whip and fuse the ends of a rope, and how to tie a two half hitch and square knot. These skills will aid the Webelos in earning their Outdoorsman Activity pin. In addition, both the Webelos and Boy Scouts, took a 3 mile hike on the beautiful East Creek Trail. The Boy Scouts cooked for the Webelos so they could gain an understanding of one part of how a patrol functions. All enjoyed a blazing campfire. Kudos to all the campers - Boy Scouts, Webelos and the adults for surviving the unusually cold temperatures that weekend.

Popcorn Sales

A special thanks to all the Scouts who sold popcorn. Your efforts go a long way to support the Troop and Council. Some Scouts sold popcorn individually while others participated in popcorn sales at a local Wawa. Many customers shared that they had been Boy Scouts in the past.

Welcome to the Troop!

-  Caleb S.
-  Thomas V.

You make us stronger ☺

Flapjack Fest

We are currently planning a pancake fundraiser for February or March of next year. The Scouts and parents really enjoyed the last pancake fundraiser and it was successful to boot. Details will be coming soon, so stay tuned.

Scouting for Food

Scouting for food was a resounding success. We collected car loads of non-perishables. Together we are making a difference. *Great job Scouts!*

Here Comes the Judge

Caleb s. and Ridge G. met with the honorable Judge Bernard DeLury in October. They discussed constitutional rights and

obligations as part of their journey to 1st class. *Way to go gentlemen!*

Parents Corner

We could really use your help to organized a fundraising event. If you're available please contact our fundraising chairperson, Beth Stewart at bsann2008@icloud.com. We have Beth to thank for organizing our popcorn sales as well.

The Rockville Climbing trip is scheduled for December 5-6. We need leaders and drivers. If you're available, contact Dawn Tepper at TheTeppers@comcast.net.

Troop Advancements

- ✓ Aiden B. now a Life Scout.
- ✓ Nick B. is now a Tenderfoot.
- ✓ Andrew D. has an additional Eagle Palm.

Congratulations!!
